

*Bedroom
too small?
No floor
space?*

Storage and space
solutions for small
rooms.

XCentric Ideas

**Clever storage
points:**

Using spaces ...

Under the bed
Behind the door
On the walls
From the ceiling

Meaning?

If you don't have the floor
space, utilise what you have
in a clever way.

Organizing tip:

**If a stuffed
animal has a
name keep it.
If it doesn't...
donate it.**

Use shoe organizers behind doors for:

<http://www.wrappedinrust.com>

Stack all your craft pencils and utensils in this plastic shoe organizer.

Or use it for jewelry...brooches ...

<http://www.wrappedinrust.com>

Perfect for all your hairstyling products. Even space for brushes, mousse and hair clips.

<http://www.wrappedinrust.com>

This canvas organizer is just the thing for all your woolen hats, gloves, scarves or even socks.

<http://www.housebeautiful.com>

Need to keep track of all your lipsticks and nail colors? No problem. Even perfect for eyeshadows, eye pencils and blushers.

Use the space (if you have) under your bed:

Brilliant idea:
Paint a bookshelf, add handles to the side and screw on castors and you have storage!

Hide ugly storage boxes behind a bed frill.

<https://makespace.com/>

*(Left)
Install peg boards at back of closet for shoes.*

*(Right)
Crown molding on walls for heel shoes as part of the wall décor.*

<https://makespace.com/>

Use S-hooks and hang your jeans and pants.

Shelves in your room:

No space for bedside table?

A simple wall-mounted shelf can serve the purpose. Even the smallest of spaces can fit a simple corner and a shelf like this one can hold the essentials.

<https://makespace.com/>

Space above your door is 'dead' ... use it to store extra towels, blankets or even winter clothes.

<https://makespace.com/>

Old drawers are converted into shelves for the wall.

<https://makespace.com/>

Clever use of space around your bed for books and as bedside tables.

No space for study table in bedroom? With some effort you can have both.

<http://www.decoist.com/2014-02-04/loft-beds-desks-underneath/organized-shelf-and-a-desk-underneath-the-loft-bed/>

<http://homesthetics.net/15-ingeniously-smart-and-functionable-bedroom-space-saving-solutions/>

Space solution for kid / teenager. Study table underneath the bed and part of the bed structure can be used for storage.

For adults, make it a bigger bed, not quite so close to the ceiling and use sturdier 'steps' to the top (like the bottom picture). These sturdier steps are also used as drawer storage space.

Bed, study and closet – all in one!

Brilliant use of floor space ...

Study desk on the one side, closet on the other. Curtains close these areas and make room instantly neat.

Bed and couch in small bedroom ...

<http://interiorfans.com/6-incredible-ideas-decorate-small-bedroom/>

How awesome is this 'loft bed' and couch (left)?

The sturdy steps are drawer storage, the couch can also be a guest bed and has extra storage underneath.

Look at the clever 'roadside diner window table' idea for morning coffee!

If your ceiling is not this high, make the bed not quite so high and it will still leave space for the couch underneath.

This has a single bed, but I'm sure can easily be made into a double bed. Just love the sturdy steps that can store books and cd's.

Lovely couch underneath that can also be transformed into a bed.
